

### **Pono Pacific Hakalau Field Manager Position**

Pono Pacific has been contracted by the USFWS to be part of an invasive species control team that works to eradicate two target species located in their refuge: Florida Blackberry and English Holly.

We are currently searching for a Field Manager to run this operation with a six person crew. The field manager requirements for Pono Pacific would include:

- 1) experience as a supervisor or manager in the field
- 2) leading by example
- 3) implement proper safety and precautionary rules/guidelines
- 4) highly organizational skills
- 5) six to eight mile hikes with a 40 pound pack
- 6) maintain a healthy work environment
- 7) making rational judgment calls
- 8) maintaining work integrity
- 9) be able to communicate with the team

For more information or methods to apply for this position, please call Sean Moura at 628-7400 ext. 1006 or [sean.moura@ponopacific.com](mailto:sean.moura@ponopacific.com).
