Colorado State University is an equal opportunity/affirmative action employer

Working Title: Weed/Technician I (Pohakuloa Training Area, U.S. Army Garrison, Hawaii)

Official Title: Technician I

Class Code: H4M11X

Position 15901

Number:

State Grade: H16

Employment Type: [State Classified](#) - Open Competitive Open Competitive

Department: Center for Environmental Management of Military Lands (CEMML)

Salary: \$28,092 annually

Minimum Requirements: One year of work experience in controlling the growth and spread of vegetation by chemical and mechanical means.

Substitutions: One year of college, university or non-correspondence school course work related to the work assignment may substitute for the required experience.

Special Requirements: Must have or be able to obtain a valid Hawaii State driver's license; must be willing and able to pass a background check; must be willing and able to exert up to 50 pounds of force occasionally, and/or up to 20 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects; must have or be able to obtain Hawaii State Pesticide Applicators License; must be willing and able to climb, balance, stoop, reach, handle, finger (picking, pinching, or otherwise working primarily with fingers rather than with the whole hand or arm as in handling), talk, hear, have near acuity, depth perception, able to identify and distinguish colors, and have field of vision; must be willing and able to be exposed to toxic or caustic chemicals.

Colorado State University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.

Duties: NOTE: There are no relocation allowances for this position. Colorado residency has been waived.

JOB IS LOCATED AT THE POHAKULOA TRAINING AREA, U.S. ARMY GARRISON, IN HAWAII.

Positions provide technical assistance to the Environmental Natural Resources Program in the management of vegetation in fuel banks, noxious weeds, and endangered plant species. Duties include, but are not limited to:

- Under direct supervision apply mechanical and chemical measures to noxious weeds at Pohakuloa Training Area. Assist greenhouse supervisor with plantings at field sites using established protocols.
- As part of a crew, construct fencing around endangered plant populations as directed. Inspect existing fence units and as directed make repairs according to established protocols.
- Under direct supervision, assist with maintaining field gear and equipment such as gas-powered pumps, backpack sprayers, and weed whackers.

Date Posted: 04-20-2009

Application 05-05-2009

Deadline:

To Apply: Submit a State of Colorado Application for Announced Vacancy (this can be accessed by clicking the indicator button below) along with your resume and cover letter specifically addressing the following:

[1] Your experience using and applying chemical and mechanical measures to vegetation.

Submit all application materials no later than 4:45 p.m. Tuesday, May 5, 2009 (postmarks will not be accepted). If you are mailing materials please send them to: Human Resource Services Department, Employment Office, 6004 Campus Delivery, Fort Collins, CO 80523. **You may fax your completed application to 970-491-2548.**

The physical location of our office to drop off materials is: University Services Center, 601 S. Howes St., Suite 208 (second floor).

Women and Minorities are encouraged to apply.

Important Information: *Applications are a part of the selection process and will be reviewed to determine if you meet the minimum entry requirements for the position. Be sure your application specifically addresses the qualifications as listed in the minimum qualifications section of the job announcement. Clearly document specialized work experience, skills, and accomplishments that relate to the position duties and minimum qualifications. Additional pages may be attached. When transcripts, licenses, certificates, etc.) are required, make sure to include them with the application. Failure to submit required information by the application deadline may result in your application not being considered for the position.*

Applications will be reviewed by a qualified Human Resource Professional to determine if minimum requirements are met. If your application does not demonstrate that you meet these requirements, you will not be considered for the vacancy. You will be notified of the results of the application screening.

Application: This position requires you to fill out a/an [Announced Vacancy Application](#). Please note that regardless of which application you are filling out, you must also complete a **Demographic Information Form**. It can be located on the same page as your application.

This job requires an exam

Exam 100% Qualifying Evaluation of Training and Experience Type: Application
Instructions: Review. This exam will be used exclusively and weighted 100%. Results will determine your final rank and score on the eligible list for hiring.
