**FIELD SUPERVISOR - ID# 21319.** Regular, Full-Time, RCUH Non-Civil Service position with the (MISC) **Maui Invasive Species Committee Field Team** (Pacific Cooperative Studies Unit) located at the **MISC** office. Continuation is dependent upon program/operational needs, satisfactory work performance, and availability of funds. **Minimum Monthly Salary:** \$1,869.00. **Duties:** Leads the MISC Field Crew in conducting operations to implement the annual MISC Action plan. Works in conjunction with and leads a field crew of up to 5 staff and/or volunteers. The groups participate in control efforts towards the elimination of invasive plants and animals in Maui County. Works with residents as well as on vacant lands; keeps daily records of field efforts, areas covered, plants destroyed, worker hours records and herbicide usage. Keeps precise location records on tax key and other field maps of invasive species populations or areas where none have been seen. Reports progress to supervisor and submits supporting location, count, and size data, as well as reporting on all surveyed areas and the findings. Trains field workers and volunteers in appropriate use of procedures, equipment, and pesticides. Tracks inventory, supplies and equipment needs, maintains equipment used and trains others for the same. Exercises a flexible assortment of treatments to meet each specific requirement in site preparation and management planning. Incorporates the use of hand tools and portable pesticide applicators into field control efforts. Performs other additional duties as assigned. **Minimum Qualifications:** Graduation from high school. Three years experience in field activities relating to agricultural or natural resources management. Leadership experience. Able to understand and carry out oral and written instructions. Able to lead and teach techniques (involving application equipment and hand tools). Able to read maps and navigate with topographic maps, state tax map keys (TMK), and aerial photographs; able to use compass and altimeter navigating tools; able to write clear and concise reports; good leadership and communication skills;; valid driver's license and experience with 4-wheel drive vehicles; and able to work with small mechanized equipment. Able to work outdoors on extremely rough terrain, and under adverse weather conditions. Able to lift and carry 50 lbs. **Desirable Qualifications:** Degree in Botany, Environmental studies or related field. Experience working with control of invasive species in Hawaii; working with pesticides; supervisory experience; computer literacy; and knowledge of Hawaiian flora and fauna. **Inquiries: Lynnette Kinoshita (808) 956-3932 (Oahu).** **Application Requirements:** Send cover letter (note ID#) with narrative on your qualifications for the position, resume with salary history, the names and phone numbers of three work related references, and copy(ies) of diploma(s) and/or certificate(s) used to qualify for position to the Director of Human Resources, Research Corporation of the University of Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822. **Closing Date: June 27, 2001.**
