INVASIVE SPECIES FIELD WORKER – ID# 23243. Pacific Cooperative Studies Unit (PCSU). Regular, Full-Time, RCUH Non-Civil Service position, located on Maui, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds. **Monthly Salary Range:** $1,661.00-$2,076.00. **Duties:** Assists in conducting operations to implement the established action plans, which target invasive alien plant and animal species for control or eradication. Assists supervisors in translating the plan, with guidance by the MISC Manager and Committee or Partner Agencies, into appropriate action. Fieldwork involves working with herbicides, working in and around helicopters, and occasional rappelling. Assists in attaining favorable public relations and quality control of action by the team. Participates in conscientious adherence to protocol for preventing the spread of weeds. Follows and adheres to all safety and operational guidelines. Participates in assuring maintenance of project vehicles and care of project equipment. Assists in keeping accurate records of all treatment and control work. Contributes to creating and preserving a positive work environment. All work must be in accordance with Research Corporation of the University of Hawaii (RCUH), Pacific Cooperative Studies Unit (PCSU), and MISC policies and guidelines. **Minimum Qualifications:** High school diploma. Basic communication skills. Knowledge of Hawaiian biota and threats from incipient alien plant and animal invasions in Hawaii. Ability to read maps and aerial photographs and document work. Ability and experience working with small mechanized equipment (chain saws, etc.). Must have valid driver’s license. Must be able to complete basic helicopter safety course and rappelling training within 12 months of hire. Excellent physical condition and coordination. Ability to lift and carry 50 pounds. Must not be acrophobic (afraid of heights). Experience in field activities relating to agricultural or natural resources management. **Desirable Qualifications:** Experience working in and around helicopters and in the use of pesticides. Field experience in an active resource management program to protect ecosystems in Hawaii or elsewhere, especially in the control of invasive alien species. Experience using handheld GPS (global positioning system) units, particularly for purposes of data collection. Familiarity with computers and data entry. **Inquiries:** Lynnette Kinoshita, 956-3932 (Oahu).

**Application Requirements:** Send cover letter (note ID#) and referral source with narrative on your qualifications for the position, resume with salary history, the names, phone numbers, and addresses of three supervisory references, and copy(ies) of degree(s)/transcripts/certificate(s) used to qualify for position via: 1) email: rcuhhrapply@rcuh.com as a word, Excel or PDF document 2) fax: (808) 956-5022 or 3) mail: Director of Human Resources, Research Corporation of the University of Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822. See [www.rcuh.com](http://www.rcuh.com) and click on “Employment” for additional information regarding employment with RCUH. **Closing Date:** June 16, 2003. EEO/AA Employer.
