Job Description

Job Title: Wildlife Proj Assistant-Oahu
Project Name: PBRC
Reference: 024652

Job Summary:
Regular, Full-Time, RCUH Non-Civil Service position, located in Honolulu, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds. Minimum Monthly Salary: $1,367.00. Duties: Assists the Oahu Wildlife Technician in coordination, development and management of State Public Hunting Areas and Game Management Areas on the island of Oahu, in a manner consistent with Division of Forestry and Wildlife (DOFAWs) statewide Wildlife program. Provides assistance to the Wildlife Technician in charge of the Oahu program field operations, on trails, roads, fences, water units, hunter checking stations and storage facilities. Assists with the development and coordination of viable volunteer program. Minimum Qualifications: Education: Graduation from High School. (Associates Degree from an accredited community college in the fields of Forestry, Wildlife Management, or Natural Resource Management, may substitute for some/all experience). Experience: One (1) year of manual labor or semi-skilled work experience, which includes three (3) months of natural resource management activities. Abil/Know/Skills: Knowledge of Hawaiian biota, local game mammal and game bird species, and threats from alien species to native ecosystems. Ability to understand and carry out oral and written instructions. Identification of game mammal and game bird species. Identification of common native and introduced plants. Ability to read maps and aerial photographs. Ability to work with small-mechanized equipment in a safe manner (chain saws, etc.). Ability to calculate herbicide formulations and follow label instructions of herbicides used in controlling incipient weeds. Ability to plan jobs with details and make necessary preparations to accomplish work assignments. Must have valid Driver¿s License and have ability to operate a 4-wheel drive vehicle. Physical and/or Medical Demands: Applicants must be able and willing to physically perform, efficiently and effectively under strenuous outdoor conditions (e.g. extreme weather, mosquitoes, steep terrain, rough water swimming with equipment, etc.) Ability to lift and carry 50 pounds. Duty hours may vary and may include some early mornings, late evenings and weekends. Desirable Qualifications: Associates Degree from an accredited college in the fields of Forestry, Wildlife Management, Natural Resource Management or related field. Experience in use of pesticides and power tools. Computer literacy and familiarity with data analysis and presentation. Field experience in an active resource or management program to protect ecosystems in Hawaii or elsewhere. Experience with hunting in Hawaii or elsewhere and successful completion of the State of Hawaii Hunter Education program or recognized equivalent. Inquiries: Dr. Kaneshiro, 956-6739 (Oahu). Application Requirements: The preferred method of applying for a job is through our on-line application process.
