

EFFECTIVE SOLUTIONS FOR THE ARBORISTS SEMINAR & UPDATE ON THE ERYTHRINA GALL WASP

Speakers: Mr. Chip Doolittle, President of ArborSystems
Mr. Ron Heu, Survey Entomologist, Dept. of Agriculture

Date: Friday, October 21, 2005
Time: 7:30am - 8:00am (registration)
8:30am - 12:00am (lunch to follow)

Place: Pearl City Urban Garden Center
955 Kamehameha Hwy
(entrance on Diamond Head side of Home Depot/Public Storage parking lot)

8:00am - 8:30am

Mr. Heu will provide an update of the latest information on the Erythrina Gall Wasp epidemic. He will review the most recent findings on what has been found effective in controlling this pest.

8:30am - 12:00noon

Mr. Chip Doolittle will cover the latest ArborSystems Injection System using the patented Wedgle Tip and WedgeChek Sealer. The seminar will establish the significant reduction in the amount of time needed to treat trees for insects, diseases, and micronutrient deficient symptoms. It will introduce the method of application that could greatly reduce the number of spray applications.

*** Certification credits will be given for this portion of the seminar.
