

# EFFECTIVE SOLUTIONS FOR LANDSCAPERS & ARBORISTS

# SEMINAR

Speakers: Mr. Pat Conant, Hawaii Dept. of Agriculture – Erythrina (wiliwili) Gall Wasp  
Mr. Chip Doolittle - President of Arbor Systems

Date: Monday, October 17, 2005  
Time: 8:30 am – 12:00 pm (lunch to follow)  
Place: Hapuna Beach Prince Hotel  
62-100 Kaunanoa Drive  
Mauka Ball Room

\*The seminar will cover the newly invasive erythrina gall wasp and the latest Arborsystems injection system using the patented Wedge tip and Wedgechek Sealer.

\*Significant reduction in the amount of time needed to treat trees for insects, disease and micronutrient deficient symptoms.

\*Environmentally friendly by making injections directly into the tree, This method of application could greatly reduce the number of spray applications.

\*Efficient and rapid use of the chemical allows most trees to be injected in less than five minutes. No drilling, no hammers and no messy clean-up.
