Job Title: KISC Natural Resource Field Assistant I  
Job ID: 26502  
Project Name: Pacific Cooperative Studies Unit  
Full/Part Time: Full-Time  
Regular/Temporary: Regular  
Closing Date: 09/20/2007  

Job Summary  
Regular, Full-Time, RCUH Non-Civil Service position with the Pacific Cooperative Studies Unit (PCSU), Kauai Invasive Species project, based in Lihue, Kauai with island-wide fieldwork. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds.  

Minimum Monthly Salary:  
$1,664.00.  

Duties:  
Conducts field operations to implement Kauai Invasive Species Committees (KISC) strategic plan for eradication of incipient pests from Kauai. Records field data. Undertakes mechanical and chemical removal of invasive alien species in natural, urban, and suburban areas. Adheres to project protocol for preventing spread of weed propagules. Must maintain project vehicles and equipment, adhere to herbicide application/safety guidelines, and assist supervisor in keeping records of treatment and control areas. Assures favorable public relations and assists with community education. Must be willing to work flexible hours, sometimes conducting night-work.  

Minimum Qualifications:  
Education: High School Diploma.  
Experience: Up to one (1) year of experience working with control of invasive species in Hawaii. Experience needs to be documented and acquired under the employment of an academic institution, governmental agency, private company, non-profit organization in the appropriate field and can include internships and accredited volunteer work.  
Abil/Know/Skills:  
- Able to use a personal computer (PC) and have working knowledge or can learn to use database (MS Access) and Geographical Information Systems (GIS) programs (ArcView).  
- Able to identify native Hawaiian plants and alien weed plant species.  
- Able to read maps and aerial photographs.  
- Willingness to acquire pesticide applicator license for effective use of pesticides for invasive species control.
Able to use Global Positioning System (GPS), altimeter, compass, and maps.

Must hold a valid current drivers license and be able to drive a 4-wheel drive vehicle with manual transmission.

Must possess the American Red Cross Certification in First Aid/CPR (or to be able to obtain the certificate following the training provided).

**Physical/Medical Requirements:**

- Ability to hike and camp in remote areas and rugged terrain under inclement weather conditions, up to five (5) consecutive days.
- Able to backpack and lift and carry fifty (50) pounds.

**Desirable Qualifications:**

- Knowledge of threats to native Hawaiian ecosystems from incipient alien plant and animal invasions in Hawaii.
- Field experience in an active resource management program to protect ecosystems in Hawaii or elsewhere.
- Awareness of Hawaiian culture and biota and threats from alien species.
- Experience with control of alien species.
- Able to record biological data with a GPS.

**Inquiries:**
Keren Gundersen 246-0684 (Kauai).
