Job Title: MKF Field Assistant
Job ID: 27593
Project Name: Pacific Coop Studies Unit
Full/Part Time: Full-Time
Regular/Temporary: Regular

Job Summary: (2) Regular, Full-Time, RCUH Non-Civil Service positions with the Pacific Cooperative Studies Unit (PCSU), Mauna Kea Forest Restoration (MKR) project, located on the Island of Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds. Minimum Monthly Salary: $1,946.00.

Duties: Monitors and controls non-native predators, alien plants, feral pigs, and mouflon sheep at restoration areas on Mauna Kea. Establishes and monitors transects to evaluate forest recovery and plant distribution. Collects and analyzes technical field data. Regularly coordinates the activities of volunteers and works with other field technicians in small mammal predator control, alien plant control, feral animal control and other resource management work.

Minimum Qualifications: Education: High School Diploma. Experience: Up to one (1) year field experience surveying plant and animal populations in remote areas in Hawaii. One (1) year of college level coursework from an accredited college or university in a related discipline (i.e., Biology, Zoology, or related Natural Science) may substitute for the experience requirement.

Abil/Know/Skills: Knowledge of native Hawaiian flora and fauna and threats from alien species. Working knowledge of the principles of ecology and wildlife biology. Working knowledge of safe use of firearms. Ability to track and locate animals using radio receivers, compass, map, and Global Positioning Systems (GPS) hand-held units. Ability to use a computer to record technical field data, analyze field data using database and spreadsheet programs and prepare draft reports. Ability to hunt feral animals using firearms and dogs. Must possess valid drivers license. Must have or be able to obtain First aid/CPR and Federal Firearms Certification. Able to apply herbicides. Must be able to pass basic helicopter safety course within 12 months of hire. Must be able to work at 9,000 feet and pass a post-offer high altitude medical examination.

Inquiries: Jennifer Higashino 933-2756 (Hawaii).
