STREAMBANK GROUNDSKEEPER ASSISTANT NEEDED

JOB DESCRIPTION: Need a hard working, multitasked individual who enjoys working outdoors; physically fit to lift and carry heavy loads; familiar with malama ‘aina concepts and experienced in agriculture (including planting, weeding, cutting trees, using power and hand tools); able to assist with a variety of community-oriented events and activities including hosting volunteer groups at the restoration site; able to use a digital camera and assist with monitoring activities.

PREFERRED BUT NOT REQUIRED: Kalihi-area resident, familiar and experienced with Pacific Island cultural protocols, experience in working within Pacific Island communities, lo‘i and land-restoration experience.

PAY SCALE: $11-$13/hr depending on experience. This is a contract position, requiring a GE Tax license.

SEND RESUME TO: kaupa@googlegroups.com or call 853-2218 for more information.
