The USFWS is looking for 1 volunteer to assist with non-native plant control, endemic plant propagation, plant monitoring, and bird surveys for approximately 4 months. Work would be on Laysan Island, Papahanaumokuakea Marine National Monument. Expenses covered by USFWS are: food, housing, transportation within continental US to Honolulu and Laysan and return, clothing, and tools to do work. Approximate start date is May 5 thru end of Sept 2008. Folks interested in this opportunity should send resume to cindy_rehkemper@fws.gov. Please respond quickly.
