

Science Club for Teachers, Big Island

A group of fun-loving science enthusiasts whose goal is to compile "Loads of lessons to lessen the teachers' load" on-line!

Aloha! Just a reminder about the next Science Club for Teachers at 'Imiloa Astronomy Center in their restaurant.

K-12 public, private, charter, and homeschoolers **all welcome**, especially student teachers, substitutes, science geeks and enthusiasts.

Please forward this!

Our objective: **share tips and tricks** to improve our lessons and have more fun!

Bring your laptop and a lesson or demo to share (not required).

Saturday, June 28, 10-11:30am

Please reply to this email if you will be coming so we can save a space for you!

If you or someone you know would like to **make a presentation to the group**, email me at scienceclub@earthlink.net

Go to <http://scienceclubforteachers.wikispaces.com>,

our science community bulletin board for teacher-tested lessons, links to animations and other resources to help your lessons come alive!

Mahalo,

Ted Banta, Pahoa High and Intermediate School
