

Pesticide Education Programs

There will be a pesticide education class intended to supplement the knowledge of certified applicators. However, all persons interested may attend. Certified Private Applicators and Commercial Applicators in all categories, except chemigation and agricultural fumigation sub-categories, will receive two (2) recertification credits from the Hawaii Department of Agriculture. Details are as follows:**

***“The Management of Your Pesticide Inventory From Pickup to Waste”*. We will discuss the transportation, storage of pesticides, emergency response, and the proper handling of excess and waste pesticides and their products. (2 recertification credits.)**

Date: September 25, 2008

**Place: Hawaii Commercial and Sugar Co.
Puunene, HI**

Session 1: 9:00-11:00 am

Session 2: 12:30-2:30 pm

Cost: \$50.00

Class will be taught by Gerald Kinro, formerly of the Hawaii State Department of Agriculture’s Pesticides Branch. To register, please fill out enclosed form and mail with payment to:

**Gerald Kinro
Kapakahi K creations
P.O. Box 1183
Kaneohe, HI 96744**

Classes will be limited to 35 persons.

Questions? Contact Gerald at (808) 203-0041

****Certified Applicators must bring their certification cards to receive credit.**

All persons entering the facility must sign in at Human Resources office upon arrival and sign out when leaving.
