

Aloha Hawaii Botanical Society Members.

The next meeting is Monday October 6, 2008 7pm

UH Manoa, St. John Room 011

This month we have some exciting speakers:

**Plant-of-the-Month: Pampas Grass (*Cortaderia selloana* & *Cortaderia jubata*)** By Rachel Neville, OISC

**Main Topic: "Stalking the Wild Potato — Botanical adventures in Peru"** By James B. Young, PhD, Photographer

Please pass this message on to anyone interested in attending.

See you there!
