Job Description

Job Title: IPRC Assistant Researcher (Climate Diagnostics & Modeling)
Job ID: 29068
Project Name: Int'l Pacific Research Center
Full/Part Time: Full-Time
Regular/Temporary: Regular

MINIMUM MONTHLY SALARY: Salary commensurate with qualifications.

DUTIES: The International Pacific Research Center is a leading center for climate modeling and diagnostics research and has a particular focus on the Asia-Pacific region. Researchers will perform research in one or more of the following areas of interest: areas of application of satellite data and in situ data to diagnostic climate studies, including studies integrating data from different platforms together with results from simulation models, regional climate modeling and regional aspects of climate variability and change, diagnostics and modeling of large-scale atmosphere-ocean interaction processes, role of land surface processes in climate variability, paleoclimate dynamics and the dynamics of global environmental change.

PRIMARY QUALIFICATIONS: EDUCATION: Ph.D. from an accredited college or university in Meteorology, Oceanography, Geosciences or related field of Science. EXPERIENCE: At least two (2) years of relevant postdoctoral research experience in oceanic, atmospheric and/or climate research. ABIL/KNOW/SKILLS: Knowledge of contemporary climate modeling and diagnostic techniques. Excellent oral and written communication skills in the English language. Demonstrated ability to work with high-level computer languages. Ability to develop an independent research program at IPRC that would complement existing efforts.

SECONDARY QUALIFICATIONS: Demonstrated experience in using a variety of numerical models for the study of climate-relevant problems using advanced computers/workstations.

INQUIRIES: Dr. Kevin Hamilton 956-8327 (Oahu).

APPLICATION REQUIREMENTS: The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on "Employment" and navigate to "Job Announcements/Apply for a Job." However, if you do not have access to the Internet, you may apply by submitting resume; cover letter including Recruitment ID#, referral source, narrative of your qualifications for position and salary history; names, phone numbers and addresses of three supervisory references and copy of degree(s)/transcripts/certificate(s) to qualify for position by fax (808) 956-5022 or mail to Director of Human Resources, Research Corporation of the University of Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822 before the closing date. If you have questions on the application process and/or need assistance, please call (808)956-3100. EEO/AA Employer.
