**Job Title:** Lanaihale Forest & Watershed Field Worker  
**Job ID:** 29121  
**Project Name:** Pacific Coop Studies Unit  
**Full/Part Time:** Full-Time  
**Regular/Temporary:** Regular

---

#### Job Summary

(2) Regular, Full-Time, RCUH Non-Civil Service position with the Pacific Cooperative Studies Unit (PCSU), located on Lana`i, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds.

**MINIMUM MONTHLY SALARY:** $1,664.00-$2,582.00.

**DUTIES:** Work involves conducting operations to implement the Lana`ihale Forest and Watershed Project action plan, addressing recovery needs of the endangered Hawaiian Petrel and Hawaiian Hoary Bat, threatened Newell's Shearwater and the Lana`ihale watershed. Work activities are designed to minimize threats and target invasive alien plant and animal species for control or eradication. Assists supervisors in translating the plan, with guidance by the Maui District Endangered Species Research Specialist, into appropriate action. Fieldwork involves working with herbicides, power tools and hand tools as well as observing and recording behavior and activities of native wildlife and taking data about native and introduced plants.

**PRIMARY QUALIFICATIONS:** EDUCATION: High School Diploma or GED. EXPERIENCE: Some experience working with small, mechanized equipment (chain saws, etc.) ABIL/KNOW/SKILLS: Knowledge of Lana`ihale and the island of Lana`i. Knowledge of field activities relating to agricultural or natural resources management. Basic oral and written communication skills. Ability to read maps and aerial photographs and document work. Must possess a valid driver's license. Must be able to pass federal firearms certification and legally possess firearms. Must be able and eager to learn the native and introduced plants and wildlife of Lana`i.  
**Post Offer/Employment Conditions:** Must be able to complete first aid, CPR, firearms, and wild land fire control training within 12 months of hire, and maintain certification in good standing.  
**PHYSICAL/MEDICAL REQUIREMENTS:** Able to lift and carry fifty (50) pounds, and work in remote, often wet and cold and steep mountain terrain.

**SECONDARY QUALIFICATIONS:** Experience and knowledge of Hawaii's biota, especially native plants, and seabirds. Experience in the use of pesticides. Field experience in an active resource management program to protect ecosystems in Hawaii or elsewhere, especially in the control of invasive alien species. Experience using handheld field computers with GPS capability, particularly for purposes of data collection. Familiarity with computers and data entry.

**INQUIRIES:** Christina Costales 565-7657 (Lana`i).

**APPLICATION REQUIREMENTS:** The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on "Employment" and navigate to "Job Announcements/Apply for a Job." However, if you do not have access to the Internet, you may apply by submitting resume; cover letter including Recruitment ID#, referral source, narrative of your qualifications for position and salary history; names, phone numbers and addresses of three supervisory references and copy of degree(s)/transcripts/certificate(s) to qualify for position by fax (808) 956-5022 or mail to Director of Human Resources, Research Corporation of the University of Hawaii, 3053 Lauhala Street, Honolulu, Hawaii 96826.
