Job Description

Job Title: Nene Wildlife Management Technician
Job ID: 29218
Project Name: Pacific Coop Studies Unit
Full/Part Time: Full-Time
Regular/Temporary: Regular

MINIMUM MONTHLY SALARY: $2,189/Mon.

DUTIES: Provides coordinated wildlife management activities for the translocation of up to fourteen (14) nene (Branta sandvicensis) family groups from the Kauai Lagoons Resorts to pre-selected release sites on Kauai and/or to neighbor islands in Hawaii. Specific responsibilities will include monitoring of nene, providing daily maintenance and operations of nene, predator trapping and dispatch, radio tagging, habitat restoration and/or maintenance, radio-tracking, report writing, data management, and other duties as assigned.

PRIMARY QUALIFICATIONS: EDUCATION: Bachelor's Degree from an accredited four (4) year college or university in biology, ecology, wildlife management, or related program. EXPERIENCE: One to three (1-3) years of experience in wildlife management, including nene monitoring. College level experience or equivalent in working with common word processing and spreadsheet software. ABIL/KNOW/SKILLS: Ability to collect and record wildlife biological data. Ability to follow written assignments and maps. Ability to capture and band nene. Ability and willingness to trap and remove predators. Ability to perform field monitoring, including visual and auditory observations, radio-tracking, and to generate report of results. Ability to work with private landowners and the public on sensitive issues. Possess a valid driver's license. Ability to operate a 4-wheel drive vehicle and landscaping or lawn maintenance equipment. PHYSICAL/MEDICAL REQUIREMENTS: Ability to conduct fieldwork in rugged terrain under difficult conditions (high elevation, cold, dust, high wind, poor footing). Ability to lift and handle large and/or heavy items safely.

SECONDARY QUALIFICATIONS: Master's Degree from an accredited college or university in biology, ecology, wildlife management, or related program. Knowledge of Federal and Hawai'i State environmental laws, regulations, and regulatory processes. Knowledge of resource issues on the Island of Kaua'i. Knowledge of Hawaiian native plants.

INQUIRIES: Lynnette Kinoshita 956-3932 (Oahu).

APPLICATION REQUIREMENTS: The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on "Employment" and navigate to "Job Announcements/Apply for a Job." However, if you do not have access to the Internet, you may apply by submitting resume; cover letter including Recruitment ID#, referral source, narrative of your qualifications for position and salary history; names, phone numbers and addresses of three supervisory references and copy of degree(s)/transcripts/certificate(s) to qualify for position by fax (808) 956-5022 or mail to Director of Human Resources, Research Corporation of the University of
Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822 before the closing date. If you have questions on the application process and/or need assistance, please call (808)956-3100.

EEO/AA Employer.
