Job Description

Job Title: JIMAR Fisheries Economic Specialist
Job ID: 29339
Project Name: JIMAR
Full/Part Time: Full-Time
Regular/Temporary: Regular

Job Summary

Regular, Full-Time, RCUH Non-Civil Service position with the School of Ocean and Earth Science and Technology (SOEST), Joint Institute for Marine and Atmospheric Research (JIMAR), located at the College of Tropical Agriculture and Human Resources (CTAHR) in cooperation with the National Marine Fisheries Service (NMFS), Pacific Islands Fisheries Science Center (PIFSC) in Honolulu, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds.

MINIMUM MONTHLY SALARY: $3,222.00.

DUTIES: Conducts economic research related to fisheries management in Western Pacific Islands. Updates the input-output (IO) analysis of Hawaii's fisheries based on the 2005 Hawaii State Input-Output Model, and to collect data for cost-earnings analyses in Guam, Commonwealth of the Northern Mariana Islands (CNMI), American Samoa, and Hawaii. Tasks include coordinating data gathering and documentation of the fisheries sectors in Hawaii, Guam, CNMI and American Samoa; constructing and inserting the fisheries sectors into the 2005 Hawaii IO table; appending a social accounting matrix into the developed fisheries IO model; applying the model to examine fisheries' economic contribution, linkages and impacts on Hawaii's economy; preparing documentation, journal paper and final report.

PRIMARY QUALIFICATIONS: EDUCATION: Master's Degree from an accredited four year college or university in Economics, Agricultural and Resource Economics, or related disciplines.
EXPERIENCE: One to three (1-3) years of experience in an academic or research environment.
ABIL/KNOW/SKILLS: Working knowledge of Hawaii's economy, sources of economic data, and input-output modeling; proficiency in using relevant computer programs for recording and analysis of data; experience in word processing, spreadsheets, database, mathematical programming and econometrics applications. Excellent quantitative skills in applied economic analysis; good written skills in preparing technical report and publication; good oral communication skills in face-to-face interview. Good written and oral communication skills in general.

SECONDARY QUALIFICATIONS: Graduate work at the doctoral level in economic theory and quantitative methods. Work experience with Pacific islands fisheries. Proven ability to conduct research and publish results.

INQUIRIES: Nicole Wakazuru 956-9465 (Oahu).

APPLICATION REQUIREMENTS: The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on "Employment" and navigate to "Job Announcements/Apply for a Job." However, if you do not have access to the Internet, you may apply by submitting resume; cover letter including Recruitment ID#, referral source, narrative of your qualifications for position and salary history; names, phone numbers and addresses of three supervisory references and copy of degree(s)/transcripts/certificate(s) to qualify for position by fax.
(808) 956-5022 or mail to Director of Human Resources, Research Corporation of the University of Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822 before the closing date. If you have questions on the application process and/or need assistance, please call (808)956-3100.

EEO/AA Employer.
