

The following is a summary of the upcoming Hawaii Invasive Species Council (HISC) meetings. All meetings are open to the public to attend and participate. Please forward on to all interested parties.

The meetings are being held at two main venues:

Hawaii Department of Agriculture,
Plant Quarantine Branch in their conference room (HDOA PQ)
1849 Auiki Street
Honolulu, Hawaii
<http://tinyurl.com/HDOA-PQ> (green pin) <<http://tinyurl.com/HDOA-PQ>>

Department of Land & Natural Resources
Kalanimoku Building (DLNR)
In two different rooms. See below for details
1151 Punchbowl Street
Honolulu, Hawaii
<http://tinyurl.com/Kalanimoku> (red pin) <<http://tinyurl.com/Kalanimoku>>

The Meetings are as follows:

Thursday, 9/10/09 @ HDOA PQ

9:30-11:30am Prevention Working Group
1:00-3:00pm Research & Technology Working Group

Monday, 9/14/09 @ DLNR

9:30-11:30am Outreach Working Group - In Room 121 (Bureau of Conveyances
Conference Room)
1:00-3:00pm Response & Control (Established Pests) - In Room 132 (DLNR Board
Room)

Thursday, 9/17/09 @ HDOA PQ

9:00-11:00am Resources Working Group (Main Budget Setting)

Friday, 9/18/09 @ HDOA PQ

10:00a-12:00p Hawaii Invasive Species Council
All voting members of the Council are requested to attend or send designated
alternate. (HDOA, DLNR, DOH, HDOT, DBEDT, UH)
All nonvoting but participating members of the Council should attend in order

to represent their constituency. (Legislators, AG)

All participants are encouraged to review the HISC Strategic Plan to understand the objectives and priorities of the various working groups and the overall HISC. A copy of the HISC strategic plan can be found online:
