

I am pleased to announce the next Established Pests Working Group meeting which will consider budgets for 2009-2010. We are requesting that participants who anticipate asking for HISC funds will provide a written summary of their proposal for inclusion with the minutes. Instructions follow agenda. Please forward to any interested parties.

Hawaii Invasive Species Council
Established Pests Working Group
Department of Land & Natural Resources Board Room
1151 Punchbowl St., Rm 132
Honolulu, Hawaii
Monday, September 14, 2009
1:00-3:00 PM

AGENDA

1. Call to order
2. Introductions
3. Old business / Approval of minutes
4. Discussion for FY2009 funding request for Established Pest funding
Please bring funding requests and prepare copies for distribution
5. Public Discussion
6. New Business / Announcements
7. Adjournment

If you plan to present a proposal at the Established Pests Working Group, you must do the following:

Please prepare a short one page description of the activities that you propose to focus on for FY10 funding. Please be concise and limit it to one page.

Within this description of your project, please include a short description on staff cut backs and staff level impacts from the reduced funding (if you were previously funded), and a budget table. Please submit these proposals with "Established Pests Proposal" in the subject line to patrick.c.chee@hawaii.gov by Thursday Sep 7.

A copy of the proposals received will be sent to all who submit proposals- please bring 20 paper copies to the meeting.

Please indicate how your proposal supports the HISC strategic plan and addresses gaps in capacity for the prevention/management of invasive species. The plan is available at: <http://www.hawaiiinvasivespecies.org/hisc/pdfs/20080709strategicplandraft.pdf>.
