**Organization:** Hawaii Youth Conservation Corps- Summer Program  

**Position:** Team Leader  

**Position Availability:** Positions are available on the islands of Kauai, Oahu, Molokai, Lanai, Maui, and Hawaii Island.  

**Position Description:** The Hawaii Youth Conservation Corps is a team based summer environmental education program. HYCC summer Members are between the ages of sophomore in high school to sophomore in college. Teams work with a variety of environmental conservation agencies both state, federal and non profit. Throughout the summer members learn about environmental conservation by completing on the ground conservation work including, invasive species removal, native plant out-plantings, fence construction, endangered species protection, and coastal land restoration to name a few. Team leaders are the leaders for the team and facilitate both the learning aspects of the program as well as directing members in the work projects.  

**Position Requirements:** Must be able to fully commit to the program during the program dates, good verbal communication skills, experience working with this age group, knowledge of Hawaii’s environment, leadership experience, good organizational skills.  

**How to Apply:** Go to [www.hawaiiycc.com](http://www.hawaiiycc.com) and apply online.  

**Application Deadline:** February 28th  

**Program Dates:** June 7th - July 23rd  

**Compensation:** $3000 paid throughout the program, $1000 educational voucher (Can be used for any educational related expense). Three college credits from UH Manoa, and an opportunity to go to some of the most amazing and hard to reach locations in Hawaii including Kahoolawe!  

**Questions:** Please call (808)735-1221
