

Earth Day 2010

Aloha,

The Phi Theta Kappa Honor Society and Sustainability Committee from Kapi'olani Community College are currently planning to celebrate Earth Day 2010 on Thursday April 22nd from 9am-2pm. We would be honored if you would like to participate this year. Similar to our event last year, we showcased a variety of organizations, vendors, and student clubs whose work all involved environmental awareness and/or sustainability. Besides a student population of nearly 9,000, we will also be advertising to the local community. This will be a great way to spread the word about the fantastic work that you do and also to help educate our young adults. There is **no charge** to participate in this event. If you have any questions, and/or would like a registration form, please feel free to contact me by responding to this email.

All the best,

Reiko Naula
VP of Leadership
