Working Title: Technician III - U.S. Army Garrison, Hawaii
Official Title: Technician III - U.S. Army Garrison, Hawaii
Class Code: H4M3XX
Position Number: 13703
State Grade: H27
Employment Type: State Classified - Open Competitive
Department: Center for Environmental Management of Military Lands (CEMML)
Salary: $3,052/ month
Minimum Requirements: Three years of work experience in controlling the growth and spread of vegetation by chemical and mechanical means.

Special Requirements: Must be willing and able to pass a background check. Must have or be able to obtain a valid Hawaii State Driver's License, must have or be able to obtain Hawaii State Pesticide Applicator's License, and must be able to lift at least 50 pounds.

Colorado State University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.

Duties: NOTE: There are no relocation allowances for this position. Colorado residency has been waived. THIS JOB IS LOCATED AT THE POHAKULOA TRAINING AREA, U.S. ARMY, GARRISON, IN HAWAII.

This position provides technical assistance to the Environmental Natural Resources Program at the U.S. Army Garrison, Hawaii, in the management of noxious weeds and endangered plant species. This position will provide leadership for a crew of four.

• Overseeing daily activities of a field crew of up to four workers applying mechanical and chemical control measures to noxious weeds at Pohakuloa Training Area while working in proximity to endangered plant species.
• Construct fencing around endangered plant populations using various materials from hogwire to plastic safety fencing.
• Maintain field gear and equipment such as gas-powered pumps, backpack sprayers, and weed whackers.
• Record and edit data related to daily field activities, herbicide use and maintenance records.
• Scheduling, planning, logistics and documentation of day-to-day field work.
• Maintain compliance with Federal and State laws and regulations related
to herbicide application practices.
• Ensure working conditions are safe for personnel.

Date Posted: 05-13-2010

Application Deadline:

To Apply: Submit a State of Colorado Application for Announced Vacancy (may be downloaded by clicking on indicator button below), together with a **resume and cover letter** which clearly explains your work experience in controlling the growth and spread of vegetation by chemical and mechanical means.

Submit all application materials no later than 4:30 p.m. Wednesday, **May 19, 2010** (postmarks will not be accepted). If you are mailing materials please send them to: Human Resource Services Department, Employment Office, 6004 Campus Delivery, Fort Collins, CO 80523. **You may fax your completed application to 970-491-2548.**

The physical location of our office to drop off materials is: University Services Center, 601 S. Howes St., Suite 208 (second floor).

**Women and Minorities are encouraged to apply.**

**Important Information:** Applications are a part of the selection process and will be reviewed to determine if you meet the minimum entry requirements for the position. Be sure your application specifically addresses the qualifications as listed in the minimum qualifications section of the job announcement. Clearly document specialized work experience, skills, and accomplishments that relate to the position duties and minimum qualifications. Additional pages may be attached. When transcripts, licenses, certificates, etc., are required, make sure to include them with the application. Failure to submit required information by the application deadline may result in your application not being considered for the position. Applications will be reviewed by a qualified Human Resource Professional to determine if minimum requirements are met. If your application does not demonstrate that you meet these requirements, you will not be considered for the vacancy. You will be notified of the results of the application screening.

**Application:** This position requires you to fill out a/an [Announced Vacancy Application](#). Please note that regardless of which application you are filling out, you must also complete a [Demographic Information Form](#). It can be located on the same page as your application.

**This job requires an exam**

**Exam Instructions:** 100% Evaluation of Training and Experience: Cover Letter and Resume Review. This evaluation will be used exclusively and weighted 100%. Results will determine the final rank and score on the eligible list used for hiring.
