Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.**

**Job Information:** **THESE POSITIONS ARE LOCATED AT THE POHAKULOA TRAINING AREA, U.S. ARMY GARRISON, HAWAII, on the Island of Hawaii**  
 These two positions will provide technical assistance to the Natural Resources Program at the Pohakuloa Training Area in the management of invasive weeds and endangered plant species. This position is responsible for the following duties which include, but are not limited to:

- Apply mechanical and chemical measures to invasive weeds at Pohakuloa Training Area while working in proximity to endangered plant species
- Construct fencing around endangered plant species using various materials from hog wire to plastic safety fencing
- Maintain field gear and equipment such as gas-powered pumps, backpack sprayers, and line trimmers
- Record and edit data related to daily field activities, herbicide use and equipment maintenance
- Other duties as assigned

**Date Posted:** 11-11-2010

**Application Deadline:** 11-29-2010

**To Apply:** Mail, fax or drop off the following materials no later than 4:45 p.m. on November 29, 2010: (postmarks will not be accepted)

- **State of Colorado** [Application and Demographic Form](#)
- **Cover Letter and Resume**

**Mailing Address:** (Materials must be received by deadline)  
Human Resource Services, Employment Office  
6004 Campus Delivery  
Fort Collins, CO 80523  
**FAX** 970-491-2548

**Physical Location:** (Howes & Myrtle)  
University Services Building  
601 S. Howes Street, Suite 208  
Fort Collins, CO 80523

**Women and Minorities are encouraged to apply.**

**Important Information:** *Applications are a part of the selection process and will be reviewed to determine if you meet the minimum entry requirements for the position. Be sure your application specifically addresses the qualifications as listed in the minimum qualifications section of the job announcement. Clearly document specialized work experience, skills, and accomplishments that relate to the position duties and minimum qualifications. Additional pages may be attached. When transcripts, licenses, certificates, etc, are required, make sure to include them with the application. Failure to submit required information by the application deadline may result in your application not being considered for the position. Applications will be reviewed by a qualified Human Resource Professional to determine if minimum requirements are met. If your application does not demonstrate that you meet these requirements, you will not be considered for the vacancy. You will be notified of the results of the application screening.*

**Application:** This position requires you to fill out:

- An [Announced Vacancy Application](#)
- A Demographic Information Form, located on the same page as

your application.

**This job requires an exam**

**Exam** A Panel Assessment Device - Cover Letter & Resume Review is the exam  
**Instructions:** and will be used exclusively and weighted 100%. **Therefore, be sure to include ANY experience using and applying chemical and mechanical measures in controlling vegetation.** Results of the Cover Letter & Resume Review will determine final rank and score on the eligible list used for interviewing and hiring purposes.
