Regular, Full-Time, RCUH Non-Civil Service position with the Pacific Cooperative Studies Unit (PCSU) performing project tasks on land controlled by the U. S. Army Garrison, Directorate of Public Works, Environmental Office, Natural Resources Section on the island of Oahu. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds.

MONTHLY SALARY: Salary commensurate with qualifications.

DUTIES: Implements office and field work designed and planned by Army Natural Resource Management staff and the Natural Resources Management Coordinator such as, but not limited to: implementing field work (e.g. monitoring, surveying, fencing, etc.); assisting in scheduling, planning, logistics, and documenting day-to-day field work; recording and analyzing field data using computer-aided programs; and assists in writing reports on field work.

PRIMARY QUALIFICATIONS: EDUCATION: Bachelor's Degree from an accredited four (4) year college or university in Biological, Biomedical, or Environmental Science with basic/related biology courses. Bachelor's Degree in non-related field with one (1) year experience managing natural resources in Hawaii will be accepted. EXPERIENCE: Three to five (3-5) years of experience dealing with biological resources in Hawaii. Experience needs to be documented well and acquired under the employment of an academic institution, governmental agency, private company, non-profit organization in the appropriate field. ABIL/KNOW/SKILLS: Knowledge of and/or expertise in vegetation and/or rare plant, vertebrate and invertebrate monitoring techniques and data collection. Knowledge of herbicide use and weed control techniques. Ability to use altimeter, compass and maps. Computer literate. Must possess a valid driver's license and be able to drive a 4-wheel drive vehicle. Post Offer/Employment Conditions: Must be able to pass a DOD security check for employment as an Army contractor. Must be able to complete basic helicopter safety course within six (6) months of hire. Must complete State of Hawaii Certification for Application of Restricted Use Pesticides within six (6) months of hire. Must be able to obtain chainsaw certification within twelve (12) months of hire. Must possess the American Red Cross Certification in First Aid/CPR (or be able to obtain the certificate following the training provided within three (3) months of hire). Must pass 4-wheel drive training within six (6) months of hire. Must be able to pass tree climbing course. May be required to complete additional duties such as firearms use or rappelling at a later time, which will be approved by the RCUH and PCSU. If selected for these additional duties, must complete a rappelling training course, pass a physical exam, pass federal firearms certification and be legally able to possess firearms. Able to pass a post offer criminal background check. PHYSICAL/MEDICAL REQUIREMENTS: Able and willing to conduct work under dirty, muddy, rainy or sunny, hot or cold, and strenuous outdoor conditions (e.g. extreme weather, mosquitoes, steep terrain). Able to hike up to 10 miles per day, backpack with up to 35 pounds of weight, and camp in remote areas and rugged terrain for up to four (4) days at a time.

SECONDARY QUALIFICATIONS: Education and experience in programs managing rare and endangered species and ecosystems on Army lands in Hawaii. Knowledge of Department of the Army natural resources programs in general and the policy, organizational contexts within which they are managed - especially safety and logistical requirements necessary to plan field operations around Army training schedules. Knowledge of Federal, State, and local environmental laws. Familiarity with
integrative techniques used to inventory, assess, and display natural resource assets, environmental impacts and their interrelationships. Previous experience in weed and ungulate control (especially monitoring and fence construction), helicopter operations in Hawaii; work with chain saws and digging and cutting tools; work with herbicides. State of Hawaii certification to apply pesticides. Ability to record biological data with a GPS and utilize GIS.

INQUIRIES: Joby Rohrer 655-9187 (Oahu).
