Regular, Full-Time, RCUH Non-Civil Service position with the National Ocean Service (NOS), Papahanaumokuakea Marine National Monument (PMNM, hereafter referred to as Monument) located in Honolulu, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, and availability of funds.

MINIMUM MONTHLY SALARY: Salary commensurate with qualifications.

DUTIES: Coordinates and conducts implementation of natural science characterization, monitoring, and research projects designed to meet the management needs of the Monument and co-trustee agencies. Provides natural science technical advice in support of resource management and policy.

PRIMARY QUALIFICATIONS: EDUCATION: Master's Degree from an accredited college or university in the biological sciences, or other related field. EXPERIENCE: Three to five (3-5) years of coastal-marine research experience, including planning, logistics, and personnel management. Experience in applying for and receiving competively awarded grants. Experience developing and executing research, monitoring, and grant budgets. Experience with field data collection involving scientific diving. Three to five (3-5) years of experience as a scientific or working diver. Experience with sampling design, data collection, and analysis using univariate and multivariate statistics. Peer-reviewed publication in the sciences. Experience leading remote field operations logistics and planning. Experience drafting and evaluating permit applications, grant proposals, research publications, or other research-related documents. ABIL/KNOW/SKILLS: Knowledge of coral reef ecology, marine research and marine resource protection. Knowledge of the marine life of the NWHI. Knowledge of, and skill in, maintaining and accurately tracking fiscal records. Knowledge of the Northwestern Hawaiian Islands co-trustee Monument management structure. Knowledge of the statutes and laws relevant to field operations conducted in the Monument. Ability to oversee research projects from conception to publication. Ability to critically evaluate scientific documents, proposals, and manuscripts. Ability to develop and maintain partnerships, and serve as a liaison between the Monument and other NOAA agencies, the public, partner agencies, and constituent groups. Skill in developing and delivering presentations to a variety of audiences regarding science-related activities of the Monument. Skill in developing policy related to research, monitoring and resource protection. Ability to conduct field work in the marine environment under challenging conditions. Ability to effectively lead teams of researchers in the field. Ability to plan and coordinate multi-agency field logistical needs on multiple spatial and temporal scales. Must be SCUBA certified and possess valid driver's license. Post Offer/Employment Condition: Must meet the standards established by the program’s diver certification process (which meets the standards set by NOAA and the American Academy of Underwater Science). PHYSICAL/MEDICAL REQUIREMENTS: Must be able to participate in extended field work including, but not limited to live-aboard research and educational vessels, field camps etc. Lift up to fifty (50) pounds to assist the transporting of equipment and gear. Must be able to obtain medical clearance to work on NOAA research vessels or other appropriate vessels and for NOAA diving requirement.

SECONDARY QUALIFICATIONS: Ph.D. in the biological or physical sciences. GIS skills. Experience drafting or reviewing research permit applications. Familiarity with remote sensing technologies, including multibeam sonar and satellite imagery. Advanced dive training, technical dive training (e.g., NOAA working diver, trimix, decompression diving, technical Nitrox), experience acting
as dive master. Experience mobilizing research cruises, including tracking personnel and paperwork, purchasing and organizing field gear, and coordinating with the research vessel.

INQUIRIES: Moani Pai 397-2660 (Oahu).

APPLICATION REQUIREMENTS: The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on "Employment" and navigate to "Job Announcements/Apply for a Job." However, if you do not have access to the Internet, you may apply by submitting resume; cover letter including Recruitment ID#, referral source, narrative of your qualifications for position and salary history; names, phone numbers and addresses of three supervisory references and copy of degree(s)/transcripts/certificate(s) to qualify for position by fax (808) 956-5022, mail, or hand-deliver to: Director of Human Resources, Research Corporation of the University of Hawaii, 2530 Dole Street, Sakamaki Hall D-100, Honolulu, HI 96822 before the closing date. Online applications and faxed documents must be submitted/received by the closing date (11:59 P.M. Hawaii Standard Time/RCUH receipt time). Mailed documents must be postmarked by the closing date. Hand-delivered documents must be received by our HR office by 4 P.M. Hawaii Standard Time/RCUH receipt time. If you have questions on the application process and/or need assistance, please call (808)956-3100.

EEO/AA Employer.
