**Position Title**

**Summer Intern - Environmental**

**Location**

Honolulu, HI, US

**Department / Division**

HECO HAWAIIAN ELECTRIC COMPANY, INC.

**Job Functions**

Hawaiian Electric Company (HECO) summer internships offer students an opportunity to gain real life experience working on professional level projects and "hands-on" challenges. Interns are coached and mentored by employees who are committed to helping the interns develop their technical skills and explore future professional opportunities. At the end of the summer internship, interns have an opportunity to present their achievements and lessons learned to members of HECO's management team.

**Brief Description**

Environmental interns will be assigned to work on specific projects and assignments in one of the following participating divisions: Air Quality & Emissions, Water & Hazardous Materials, or the chemistry lab of Analytical Services. Hawaiian Electric's goal is to provide interns with a meaningful work experience in the electric utility industry, increase their understanding of business objectives and culture, develop a network of mentors within the company, and allow interns to make a meaningful contribution to HECO and its customers.

**Fundamental Responsibilities**

- Student of an accredited college/university in their Junior or Senior year studying in the area of environmental science, engineering, chemistry, or other related field.
- Grade Point Average (GPA) of 3.50 or better on a 4.00 scale, preferred.
- Team player with strong work ethic.
- Strong written and verbal communication skills.
- Have or be able to obtain State of Hawaii Driver License and qualify for Company Driver License in order to travel to company facilities, preferred.
How To Apply

Those who meet the minimum qualifications should apply at careers.heco.com. In addition to completing the online application, please upload a resume that includes your current student status (i.e., Junior, Senior), current cumulative GPA, and major(s).

*To complete your application, please send two (2) letters of recommendation and official transcripts before February 8, 2011 to:

Hawaiian Electric Company
Attn: Summer Intern Program (CP7-FH)
P.O. Box 2750
Honolulu, HI 96840

Submittal of an application for the position:

1. Authorizes HECO to share any and all information regarding previous or present employment, educational training or personal information from their records and from any other source with the hiring department or subsidiary company;

2. Releases and waives HECO from any and all liability for any damage which may be claimed as a result of furnishing such information to the hiring department or subsidiary company; and

3. Authorizes release and transfer of all personnel records to be maintained by the hiring company in the event of an inter-company transfer.

NOTE:

a) To the extent permitted by law, HECO may conduct a criminal conviction record inquiry for the past 10 years.

b) HECO is an equal employment opportunity and affirmative action employer. We actively seek diversity among our employees. We do not discriminate on the basis of age, race, color, religion, gender/sex, national origin, ancestry, disability, marital status, arrest and court record, sexual orientation, veteran status, or other protected categories in accordance with state and federal laws.

c) If you require accommodations during the application process, please contact the HR Service Center at 543-4848.
