POSTING TEXT

Purpose: A Lecturer is expected to make contributions to the teaching effort of the University and to carry out activities to maintain and develop their scholarly, research and/or professional activities relevant to the profession or discipline.

Nature and Scope: The University of the South Pacific (Fiji) invites applications for Lecturer in Coral Reef Ecology in the School of Marine Studies. The appointee will develop and teach undergraduate courses in coral reef ecology for a BSc in Marine Science offered by the Faculty of Science, Technology & Environment, through the School of Marine Studies; develop a suitable research programme; assist in supervising postgraduate students; and contribute to consultancies undertaken by the School.

Key Results Area:
(For Advertisement)

Minimum Qualifications:	A Lecturer must have a PhD in the relevant discipline with either a formal tertiary teaching qualification or good relevant tertiary (normally an aggregate of four years) teaching experience. In exceptional cases, a good postgraduate or professional qualification with a formal tertiary teaching qualification or several years of relevant tertiary teaching experience or several years of relevant industry experience may be considered. While emphasis is on formal qualifications and adequacy of teaching experience, research and publications, regard is also given to experience outside tertiary education; creative achievement; professional contributions; and/or to technical achievement.
Preferred Qualifications:	Preference will be given to applicants with strong backgrounds in some of these key areas: experience and an aptitude for underwater photography (film and video); ability to identify a wide range of coral reef organisms; experience with the Global Coral Reef Monitoring Network; experience in running identification workshops; interest in the efficacy of marine protected areas; and the ability to develop courses through distance education mode; experience in Distance Teaching/Learning would also be advantageous.
