

The State of Hawaii Department of Land and Natural Resources, Division of Aquatic Resources would like to announce the recruitment for the

DIVISION of AQUATIC RESOURCES

ADMINISTRATOR

The Division of Aquatic Resources manages, conserves, and restores the state's aquatic resources that include over 750 miles of coastline and 410,000 acres of coral reefs surrounding the main Hawaiian Islands. The Administrator reports to the Director of the Department of Land and Natural Resources and is responsible for planning, directing & coordination all activities associated with the Division of Aquatic Resources three programs: Aquatic Resources & Environmental Protection, Recreational Fisheries, and Commercial Fisheries and Resource Enhancement. Position announcement and online application available at <http://agency.governmentjobs.com/hawaii>.

RECRUITMENT RECEPTION

If you're attending the **2nd International Marine Conservation Congress**, please join Dr. Guy H. Kaulukukui, First Deputy Director of the Department of Land and Natural Resources, for a **recruitment reception** to be held on **Monday, May 16th, 2011**, from **5:00 pm to 7:30 pm** in the **Library Room** of the **Fairmont Empress Hotel**. Dr. Kaulukukui and representatives from the division will distribute recruitment packets and will be available to answer questions regarding the position. Refreshments will be served.
