

**Upcountry Sustainability Club hosts:**

**Monday, December 5th, 2011 at 7pm:** "Maui Forest Birds and Their Conservation" presentation given by Laura Berthold at the **Pukalani Poolroom** in Pukalani, Maui (90 Pukalani St. Pukalani, Maui, HI 96768, across from Foodland, by the Tavares Center).

At the presentation, there will be a short overview of the natural history of Hawaii, its conservation issues, and the birds that are found on Maui. The latter part of the presentation will be dedicated to what Maui Forest Bird's research has found and what their future efforts and goals are. This presentation will feature some amazing photos and sounds of these special birds.

For those of you who have seen an MFBRP presentation before, come and share some stories about your experience with birds and also find out some new information about what MFBRP is doing.
