A Partnership Dedicated to Environmental Stewardship, Community Engagement and Conservation Capacity

follow us!

HAPPY NEW YEAR!

from the Hawaii Conservation Alliance

This has been an exciting year for HCA, and we're looking forward to another great year in 2012! Here's a sneak peek at what's ahead in 2012:

20 Years of Conservation Partnerships! 2012 will mark the 20th Anniversary of the [Hawaii Conservation Conference](#). We are actively seeking proposals for the HCC, themed "What Difference Does 20 Years Make? Reflections on Change, Innovation, and the Work that Remains". Session proposals are due January 31st, 2012; abstracts are due by March 9th, 2012. [More details.](#)

In addition to seeking proposals, **we are looking for abstract committee members from outside of Hawaii** to come alongside our Hawaii-based reviewers in determining the content for the 2012 HCC. If you are interested in diversifying the geographic representation of the review committee, please email Mariza Silva, at coordinator@hawaiiconservation.org

Remember the Pacific-Hawaii Conservation Exchange Program? In 2011, HCA revitalized this program to target emerging conservation professionals throughout the Pacific, now including applicants from Micronesia, Melanesia, and Polynesia jurisdictions! This program has been renamed [Pacific Exchange Emerging Professionals program](#). We have limited funding for 2012, but are looking for two applicants for whom we can sponsor a Pacific Exchange. Those with matching support and two-way exchanges will be ranked more highly. [More details.](#)

The HCA Foundation Board recently approved the **Pacific Region Participation Incentive!** The Foundation hopes to encourage Pacific Islanders deepen cross island collaboration and further integrate Pacific Island's conservation work at the HCC by waiving HCC registration fees for the first 25 Pacific Islander registrants on a first come, first served basis. *Eligibility: Employees of nonprofit conservation related organizations with citizenship from and based in the Pacific Islands within Micronesia, Polynesia and Melanesia. Attendee must provide their own travel expenses and a support letter from their employer.* For more information, please email Lihla Noori, at director@hawaiiconservation.org

Lecture series - now ONLINE! For those of you who can't make it to ING Direct on the last Wednesday of the month, we will now be taping the lecture series and posting it online for all to share! [Click here to view November's lecture.](#)

Thank you for your support of HCA, and for all that you do for conservation!

On behalf of the entire Hawaii Conservation Alliance, we wish you and your family a wonderful holiday season.

Lihla Noori
