

# BECOMING AN AMERICORPS MEMBER

AmeriCorps is a Nationwide program serving local communities where there is a need. The Maui Economic Opportunity AmeriCorps Environmental program partners with conservation agencies County wide to provide assistance in working for the greater good of the Island's environment. Summer Positions are now available for applying. Positions are available on Maui, Moloka'i, and Lana'i for the months of June-August.

**Applications are due February 24th, 2012.**

AmeriCorps members will be chosen from those who demonstrate an interest in protecting the natural environment of Hawaii, however, no prior experience is necessary. This program is physically demanding as it is in an outdoor setting. A positive attitude, interest in learning, respect for the culture, and a desire to serve are also very important.

### Eligibility for AmeriCorps

Applicants must be at least 17 years of age. Applications must be permanent legal US residents and eligible to work. Applicants are required to have a GED, diploma, or enrolled to graduate from High School.

### Program Expectations

- Participants are held responsible for completing their required hours.
- Willing and able to work in extreme conditions.
- Willing and able to hike long distances and camp in remote areas.
- Positive attitude and respect for the land, people, and culture.
- Complying with company policies
- Have fun and learn.

### Benefits

- Bi-weekly living allowance
- Educational award for summer positions range from \$1,133-\$1,416 with successful completion of required hours.
- Make a difference in Hawaii's unique environment.
- Gain valuable career experience
- Network and work alongside premier conservation experts
