Regular, Full-Time, RCUH Non-Civil Service position with the School of Ocean and Earth Science and Technology (SOEST), Department of Oceanography, located in Honolulu, Hawaii. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, availability of funds, and compliance with applicable Federal/State laws.

MINIMUM MONTHLY SALARY: $3,837/Mon.

DUTIES: Works as part of a team to integrate Center for Microbial Oceanography: Research and Education’s (C-MORE’s) research and education missions and increase scientific literacy in microbial oceanography. Fosters an interest in science among underrepresented groups, including Native Hawaiians and other ethnic/racial minorities. Organizes/leads activities as part of the Professional Development Training Program, including website maintenance. Conducts educational outreach for K-12 students, teachers and the public at large. Organizes/leads activities for C-MORE Scholars. Prepares proposals, reports and publications.

PRIMARY QUALIFICATIONS: EDUCATION: Master’s Degree from an accredited college or university in Oceanography, Marine Science, Marine Science Education or closely related field.

EXPERIENCE: Two to four (2-4) years of experience teaching marine, earth and/or environmental science in K-12 classrooms, community colleges, universities and/or outreach programs. Two to four (2-4) years of experience communicating with diverse groups including underrepresented minorities. One to two (1-2) years of experience relevant to microbial oceanography or related field, including shipboard or laboratory activities. One to two (1-2) years of experience using technology in educational settings. One to two (1-2) years of experience working with standards-based science curricula. Up to one (0-1) year of experience delivering professional development to pre-service and in-service science teachers. Up to one (0-1) year of experience developing pathways for underrepresented students in Science, Technology, Engineering, and Mathematics (STEM).

Post Offer/Employment Condition: Must be able to pass post-offer criminal background check.

PHYSICAL/MEDICAL REQUIREMENTS: Able to work on a research vessel for up to four (4) days at a time. Ability to lift and carry fifty (50) pounds. Ability to lead field trips. Ability to work in a smoke-free environment.

SECONDARY QUALIFICATIONS: PhD from an accredited college or university in Oceanography, Marine Science, Science Education or related field. Research experience in Microbial Oceanography or related field. Experience delivering formal and informal education programs, preferably in Hawaii. Successful grant-writing experience and/or publication record. Knowledge of Hawaiian culture.

INQUIRIES: Dr. Barbara Bruno 956-0901 (Oahu).

APPLICATION REQUIREMENTS: The preferred method of applying for a job is through our on-line application process. Please go to www.rcuh.com, click on “Employment” and navigate to “Job Announcements/Apply for a Job.” However, if you do not have access to the Internet, you may apply by...
