Work Exchange Program

The Hawai‘i Conservation Alliance is pleased to announce that we will be offering our "Work Exchange Program" to interested individuals who would like to help host the conference, handle logistics, and other special projects in exchange for conference admission and a few other conference perks.

The Work Exchange Program allows individuals to work a significant number of volunteer hours in exchange for a complimentary pass (valued over $360) to attend the 20th Anniversary Hawai‘i Conservation Conference.

- Sign in and out with the Work Exchange Coordinator for each shift (this is the participant’s responsibility in order to receive credit for hours worked, NOT the responsibility of the Work Exchange Coordinator).
