Job Description

Job Title: WMMWP Field Assistant
Job ID: 12479
Project Name: Pacific Coop Studies Unit
Full/Part Time: Full-Time
Regular/Temporary: Regular

MONTHLY SALARY RANGE: $1,664-$2,582/Mon.

DUTIES: Serve as a field crew member building and maintaining fence lines, controlling feral animal populations, locating and controlling alien plant invasions using mechanical and chemical means, and monitoring native vegetation/ecosystem recovery. Work will focus on the protection of the native Hawaiian forest and related water resources within the approximately 50,000 acres of forested watershed in the West Maui Mountains. Majority of the work will be performed in remote locations and will require the ability to backpack up to twelve (12) miles over rough terrain or thick unmarked trail conditions with loads up to fifty (50) pounds, camp out in remote areas under extreme conditions for up to a week at a time. Fieldwork requires working with herbicides, working in and around helicopters, and occasional rappelling. Records detailed field data and spatial information and inputs data into Global Positioning System (GPS) and computer systems. Maintains field equipment, tracks supply inventories, and assists with public relations activities.

PRIMARY QUALIFICATIONS: EDUCATION: High School Diploma or G.E.D. equivalent. EXPERIENCE: Up to one (0-1) year of experience in field activities related to Natural Resource Management. ABIL/KNOW/SKILLS: Knowledge of native Hawaiian flora and fauna and threats from alien species. Ability to operate power tools including chain saws, weed eaters, generators, chipper, etc. Ability to communicate orally and in writing and to comprehend complex verbal and written instructions. Ability to use a compass and other navigation tools and to read and navigate with topographic maps and aerial photos. Must possess a valid driver’s license and be able to drive a 4-wheel drive vehicle with manual transmission. Post Offer/Employment Conditions: Must be able to complete basic helicopter safety course and rappelling training within twelve (12) months of hire. Must be able to pass federal firearms certification and legally possess firearms. PHYSICAL/MEDICAL REQUIREMENTS: Ability to hike and camp in remote areas and rugged terrain under inclement weather conditions, up to five (5) consecutive days. Able to backpack and lift and carry fifty (50) pounds.

SECONDARY QUALIFICATIONS: Field work with emphasis on feral animal and alien plant control with a land management agency. Previous fence building or construction experience. Familiarity with computers, data entry, and use of Global Positioning System (GPS) units. Experience working in and around helicopters and using herbicides to control weedy vegetation. Rappelling experience. College courses or degree in Natural Sciences. Possess valid State of Hawaii Hunting License.

INQUIRIES: Chris Brosius 661-6600 (Maui).

APPLICATION REQUIREMENTS: Please go to www.rcuh.com, click on “Employment”; select “Apply”
