Regular, Full-Time RCUH Non-Civil Service position with the Invasive Species Strike Team Ant Eradication Project, located at Johnston Atoll National Wildlife Refuge (NWR). Work location will be in Honolulu, Hawaii and Johnston Atoll. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, availability of funds, and compliance with applicable Federal/State laws.

MINIMUM MONTHLY SALARY: $2,320/Mon.

DUTIES: Assists in eradication of the invasive ant at a field camp. In Honolulu, will pack and prepare gear, food, and all items necessary for the camp; working on data and reports. On-island, will maintain pesticide bait stations, monitor and enforce quarantine measures, monitor ant and bird populations, and perform bike and camp maintenance. Responsible for the oversight of volunteers assisting with the ant eradication project. Draft a technical report manuscript.

PRIMARY QUALIFICATIONS: EDUCATION: Bachelor’s Degree from an accredited four (4) year college or university in a biological science. EXPERIENCE: One to two (1-2) years of experience in field biology and report writing. At least six (6) months of living in a remote camp situation and maintaining a camp infrastructure, such as solar arrays and water catchment/purification. One to two (1-2) years of supervisory experience. ABIL/KNOW/SKILLS: Technical knowledge of principles, practices, and terminology related to wildlife biology and wildlife management and a familiarity with related disciplines. Knowledge of computer technology to maintain and retrieve information from automated data systems, develop spreadsheets, and use word processing and statistical software programs in order to develop reports. Knowledge of geographic information system, photography and survey techniques, and global positioning systems. Knowledge of pesticide application methods and safety protocols. Ability to communicate in writing in order to assist in the preparation of wildlife management plans. Ability to provide work direction and guidance to biological technicians and volunteers. Ability to operate small cars, trucks, water craft, and ride a bicycle. Ability to use various specialized tools and equipment required to conduct wildlife studies/surveys and maintain the camp infrastructure and communications. Ability to capture, handle and tag or collar various wildlife. Post Offer/Employment Conditions: Must possess the American Red Cross Certification in First Aid/CPR (or be able to obtain the certificate following the training provided within three (3) months of hire). PHYSICAL/MEDICAL REQUIREMENTS: Must be able to walk ten (10) miles per days in hot and humid conditions, be able to lift 70 pounds, comfortable with insecticide use and ride a bicycle. Will require stooping and bending during the work day. Must be able to swim between the boat and shore.

INQUIRIES: Lynnette Kinoshita 956-3932 (Oahu).

APPLICATION REQUIREMENTS: Please go to www.rcuh.com, click on “Employment”; select “Apply” and navigate to “See Job Announcements and/or Apply for a Job.” You must submit the following documents online to be considered for the position: 1) Cover Letter, 2) Resume, 3) Salary History, 4) Supervisory References, 5) Copy of Degree(s)/Transcript(s)/Certificate(s). All online applications must be submitted/received by the closing date (11:59 P.M. Hawaii Standard Time/RCUH receipt time) as stated on the job posting. If you do not have access to our system and the closing date is imminent,
you may send additional documents to rchuhr@rcuh.com. If you have questions on the application process and/or need assistance, please call (808)956-8344.

EEO/AA Employer.
