Regular, Full-Time, RCUH Non-Civil Service position with the Sustainable Agriculture Trade Adjustment Assistance Community College Career Training (TAACCCT) 2011 Grant, located in Kaua‘i, Hawai‘i. Continuation of employment is dependent upon program/operational needs, satisfactory work performance, availability of funds, and compliance with applicable Federal/State laws.

MINIMUM MONTHLY SALARY: $3,039/Mon.

DUTIES: Teaches agriculture and plant bioscience courses, and performs other teaching related functions involving curriculum, assessment, and mentoring. Acts as a campus outreach coordinator for agriculture programs. Builds and maintains contacts with plant bioscience, renewable energy, and other agricultural companies in the Kaua‘i County. Consults and works collaboratively with Kaua‘i Community College (KCC) faculty, administrators, staff and farm activities, including those managed by the Rural Development Program and United States Department of Agriculture (USDA). Performs other duties as assigned.

PRIMARY QUALIFICATIONS: EDUCATION: Master’s Degree from an accredited college or university in Agronomy, Agriculture Sciences, Crop Science, Horticulture, Soil Science, Apiculture, or a closely related field. EXPERIENCE: Successful college teaching experience preferred. ABIL/KNOW/SKILLS: Sufficient level of knowledge in agronomy, agricultural science, plant bioscience and renewal energy for curriculum development, teaching strategies, development of instructional materials and outreach programs. Proficiency with Microsoft Office Applications software, including word processing, spreadsheets, and presentation programs; accurate, detail-oriented work skills; effective communication (verbal and written), organization, and human relations skills. Able to work independently, prioritize workloads to meet deadlines, prioritize and to anticipate problems, and work well in a diverse environment. Must possess a valid driver’s license.

SECONDARY QUALIFICATIONS: Ability to employ writing assignments and critical thinking skill development as part of students’ classroom learning activities. Willingness to instruct via the various technological media available to the college, including distance learning. Possesses skills such as greenhouse and field plot managing, tilling, spraying, and micropropagation / tissue culture conducting.

INQUIRIES: James Dire 245-8229 (Kauai).
