

2004 Predator Control in the Hawaiian Islands Workshop

The Hawai'i Chapter of the Wildlife Society is proud to sponsor the **2004 Predator Control in the Hawaiian Islands Workshop**. This workshop will focus on predator control for the protection and enhancement of native species habitat. This workshop strives to bring together a broad spectrum of individuals, agencies and organizations involved in natural resource management in Hawaii for an update on a wide variety of topics. The second day of the workshop will include field demonstrations at Kawai Nui Marsh highlighting the newest predator control techniques being employed throughout the islands.

Workshop Topics will include: *

Feral Cat Ecology
Mongoose Trapping
Registered Toxicants
Latest Technologies for Controlling Predators
Invasive Species Management
West Nile Virus Mitigation
** Subject to change*

When: November 4 & 5, 2004; 9:00 a.m. to 3:30 p.m. both days.

Where: Ko`olau Golf Club, 45-550 Kionaole Road
Kaneohe, Hawaii 96744

Cost: \$ 125 Early Registration
\$ 150 Walk-in
\$ 65 One-Day Registration
\$ 65 Student (\$75 walk in)
**(Includes coffee, tea, pastries, lunch and afternoon snacks on both days)*

Workshop Partners include:

Pacific Coast Joint Venture • Ducks Unlimited • Natural Resources Conservation Service
• The Wildlife Society • State Department of Land and Natural Resources

The Wildlife Society is an international scientific and education organization representing professional wildlife biologists. The Wildlife Society's mission is to enhance the ability of wildlife professionals to conserve diversity, sustain productivity, and ensure responsible use of wildlife resources for the benefit of society.

All proceeds from the workshop will assist The Wildlife Society - Hawaii Chapter with its habitat restoration, professional development and educational programs. Mahalo for your support!
