Subject: BIISC Meeting- Friday July, 20 in Waimea
Date: Tue, 10 Jul 2001 08:48:29 -1000

There will be a meeting of the Big Island Invasive Species Committee on Friday, July 20 at the Waimea Civic Center from 9:00 am to noon. The meeting room is at the same compound as the police office, and city offices, not the one near the ball diamond.

Agenda items:

- Miconia Progress and Strategic Plan implementation (Greg Santos)
- ISC funding strategy-statewide and local (Steve Lohse)
- BIISC invasive species mapping & control position (Duane Nelson)
- Scoring Nursery/Forestry/landscaping plants for invasiveness (Duane

Nelson)

- Nursery/landscape native species workshop(Brian Lievens)
- Caribbean frog update (Earl Campbell)

Please let me know of any other agenda items.

I offer my apologies to for not pulling off our previously scheduled meeting on June 29. I was swamped with other stuff and did not get out a general announcement in time for the meeting.
