All,

The next CGAPS regular quarterly meeting will be Wednesday, July 17, 9:00a-12:00n, in the Paki Conference Room, 1st floor of Paki Hall, at the Bishop Museum.

Enter the Museum grounds through the main gate on Bernice St., then turn right immediately to go to the parking area. Paki Hall will be to your left as you enter the parking area, and there is plenty of parking.

The agenda will include:

Marine Invasives--Introduced Algae (15 min)

Matson Ballast Water Programs (15 min)

HDOA Reorganization

The Hawai'i Invasive Species Management Plan

Legislative Priorities and Coordination

ISC Reports,

and there will be an ISC meeting in the afternoon following the general meeting.

See you there.
