MISSION STATEMENT

KISC is a voluntary partnership of government, private and non-profit organizations, and concerned individuals working to exclude, contain and control the most threatening invasive plant and animal species in order to both conserve Kauai's native bio-diversity and to minimize adverse ecological, economic and social impacts.

REVISED MISSION STATEMENT

KISC is a voluntary partnership of government, private and non-profit organizations, and concerned individuals working to prevent, control, or eliminate the most threatening invasive plant and animal species in order to preserve Kauai's native bio-diversity and minimize adverse ecological, economic and social impacts.
