**Kauai Invasive Species Committee**

Work Notification  
October 12 - 16

## Work update at Lawai infestation site

Upcoming control work is scheduled to continue the week of **October 12, 2009**. Crews will be working during daylight hours and up until around 9:30 pm.

The field crew work is scheduled for **Monday and Tuesday**.

This past week no work was conducted due to KISC relocating to Wailua.

Work this week will include applying herbicide in section 5, 6, and 13-22. As well as spraying citric acid in sections 4 and wherever any calling frogs are heard.

Thanks go out to the **Kauai Coqui Frog Working Group members who collaborate and assist with this project**: Hawaii Department of Agriculture, College of Tropical Agriculture and Human Resources, DLNR-Division of Forestry and Wildlife, County of Kauai, Garden Island RC&D, Kukui'ula Development, A&B Properties, and Lawai Highland neighbors.
