

# Careers in Conservation

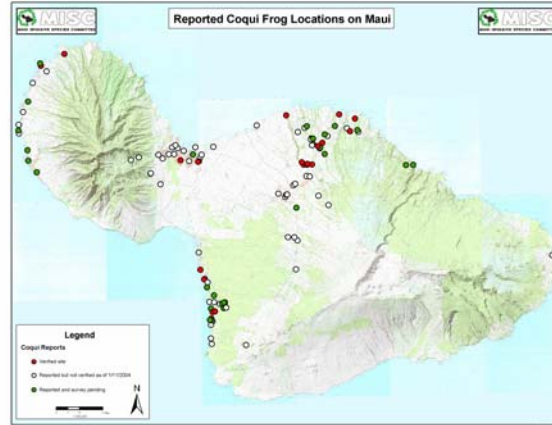

## Protect Hawaii from Alien Invaders

Help protect Hawaii's native plants and animals—many are found here and nowhere else in the world.

### You can make a difference if you:

- Like to organize, plan, and manage a program
- Like to do office work and administrative tasks
- Like to work outdoors
- Like to build fences
- Like to teach children about the environment

Like to use computers and make maps

Like to fly into remote areas

Like to conduct research experiments

Like to learn about plants and animals

Like to do field research

Like to talk to people

**The Maui Invasive Species Committee is one of many local organizations on Maui where you can do conservation work. Check with your natural resources or science teachers to prepare for a career in conservation.**
