(agenda current as of 28 January 2003)

OISC General Meeting Evaluation:

1. Why do you attend?

2. What part of the meeting is most useful to you?

3. What part of the meeting is least useful to you?

4. Does the general meeting serve to coordinate your invasive species control efforts with those of other groups working on Oahu?

Yes

No

Are the meetings:

- To technical.
- Not detailed enough.
- Not giving the information I need.
- OK but I wish there were more doughnuts.

What would you like to be included in future meetings?
