O'AHU INVASIVE SPECIES COMMITTEE

GENERAL MEETING

Wednesday, April 21 2004

6:30 – 7:45 p.m.

Ahuimanu Elementary school cafeteria

(47-470 HUI AEKO PLACE KANEOHE, HAWAII 96744)

This is a meeting open to the general public. Its aim is to inform and empower the public about the dangers of invasive species, on your island and in your neighborhood.

- Ä Learn about the invasive species problem on O'ahu
- Ä Learn what is invading your neighborhood
- Ä Learn what you can do to help.

The O'ahu Invasive Species Committee is a partnership that works to protect O'ahu from invasive pests by controlling plants like Miconia and preventing unwanted animals like snakes from entering and becoming established on O'ahu.

For more information please contact OISC at 286-4616.
